

## GEORGE AS A MONSTER

I have a monster friend called George who has got two heads, one eye on the first head and sharp teeth on the second head. It has got three small ears, one long yellow horn and two trunks on the first head. It has got two antennas on the second head and spikes on the right. It has got one fat blue body, two tiny orange wings and two pincers for arms. It has also got six red tentacles for legs and one long wavy black tail with a spike at the end.

## HELEN AS A MONSTER

I have a monster friend called Helen who has got a big head on the right, a small one in the middle and a big one on the left. On the first head there are two small green eyes and two tiny horns. On the middle head there is a mouth with sharp teeth and on the third head there is a big eye and three antennas. The second head has also got short curly blonde hair.

My friend has got a heart-shaped body and three orange tentacles for legs. It has got three arms on the right part of the body and four arms on the left part of the body. It has got two fingers on every hand and claws on every finger. It has also got one short curly brown tail and three orange tentacles for legs.

MONSTERS

## DANAI AS A MONSTER

I have a monster friend called Danai who has got a small round head and a big long head. On the small head there are three big blue eyes on the top and on the big head there is a green eye inside the head. My friend has got a mouth with sharp teeth on both heads and short curly and wavy orange hair on the right of every head. She has got one tiny horn on the second head and two tiny antennas on the first head. Her body looks like a snake and there are brown spikes on her back. She has six yellow tentacles for legs and claws on every tentacle. She has two small black wings on her body and one long, red tail.
